### SINGLE SERVING POWDER PACKETS:

#### *Cleansing Powder*

- USDA Certified Organic, non-GMO, Gluten-Soy-Dairy-Lactose Free, USA Based Protein functional food powder drink mix packets.
- A very pleasant berry-vanilla flavor, a wonderful smooth texture and mixes in any beverage. Sweetened with the natural herb, stevia.
- 18 grams of easy to digest protein per serving.
- This cleansing powder is a unique and advanced combination of nutrients, antioxidants, fiber, fruit, and vegetable extracts and pure herbs that support the overall metabolic detoxification process Phase I and Phase II detoxification pathways.

### CAPSULE PACKETS CONTAINING:

#### *3 D-Tox Capsules Per Packet*

- This Detox capsule is effective in helping protect the liver while chemicals and other toxins are mobilized for excretion.
- It is designed with specific nutrients that assist in the avoidance of toxic overload and the re-absorption of harmful toxins back into the blood stream and prepare them for safe elimination from the body.
- This added support is one of the reasons most people feel so great on the Pure Body Cleanse.

#### *1 Zyme Capsule Per Packet*

- This protein digestive formula helps eliminate gastrointestinal discomfort that may be associated with other cleansing programs.
- This formula effectively supports the detoxification process by supporting Phase II activity and insuring proper protein digestion.
- Protein digestion is initiated in the stomach. Since liquid meals pass through the stomach more quickly than solid meals, less time in the stomach means less time for digestion.
- Additionally, many individuals have digestion that is less than optimal and often experience poor digestion and absorption of protein. Pure Body Essential Zyme has been shown to digest over 90% of a typical serving of protein within 30 minutes

### DETAILED PROGRAM GUIDEBOOK

- Includes a supplement schedule, sample menu, and suggested food and snack options.

### *How Does It Work?*

- For optimal results the cleanse is recommend and designed to be a 14/21 day cleansing program.
- Not sure you can commit to all days? No problem. Our individual serving packets put YOU in control. Your formulas will stay individually sealed and fresh until you're ready to cleanse again.
- If you choose to shorten your program we suggest a minimum of 7 days to experience positive results and benefits.
- Consume 2 Cleansing Powder Shakes and 2 Capsule Packets per day and one healthy meal that is the most convenient to your daily schedule.
- The program guidebook will provide you with healthy food and snack options along with menus and fun and easy tips for enhancing detoxification.
